

RIGMARINE

New partner for Seacabs in Kazakhstan

Ferguson Seacabs Middle East and Caspian, based in Dubai, has formed a partnership with lifting and marine equipment specialists RIGMARINE.

They will supply the Caspian region with the full range of Ferguson Seacabs DNV 2.7-1 offshore containers, mudskips and tanks from their location in Aktau, Kazakhstan.

Mogens Thyssen, Business Development Manager for Ferguson Seacabs Middle East and Caspian, welcomes this expansion. "RIGMARINE is a company which shares a lot of the Ferguson Group standards. It strives to be 'best in class' in the supply of lifting and marine products. The high quality Ferguson Seacabs range is an excellent fit with their business and we look forward to enjoying considerable growth in Kazakhstan by working closely together."

RIGMARINE can be contacted by telephone (77292) 750458, 750459 and 750460, or email: office@rigmarine.kz
